In a world brimming with options and choices of paint colours, it's easy to get lost and let indecision and trepidation get the better of us. Laurentide's MIX N' MATCH™ concept was born to simplify the colour selection process.

Our perfect palette of neutrals has been specially designed and tailored so that all colours match seamlessly, whatever your selection! 9 perfect neutrals: 3 whites, our Perfect Neutral, 3 greys and 2 blacks! Colours that complement each other, chosen by our design team, to create a strong, cohesive style in any room of your home. Simple, effective and trendy. Everybody loves it!

OUR WHITES

SPARKLING WHITE

NCS : S 0300-N

Whether you want to create a fresh atmosphere or simply add a dazzling touch to your decor, Sparkling White is as cool as its name.

JUST WHITE

NCS : S 0500-N

Simple and versatile Just White is the ideal balance between a warm and a cool white. Perfectly warm to be paired with any color of our palette yet bright enough to be used as a cool main white without the blue undertone often associated with cool white.

SERENITY WHITE

NCS : S 0502-Y

White at heart, slightly leaning toward the neutral spectrum, Serenity White is perfect if you're looking for a warm, comfortable and inviting white that plays well with every color.

Neutre parfait
Perfect Neutral

PERFECT NEUTRAL

NCS : S 1002-Y50R

Its name says it all! Our Perfect Neutral is the ideal “go to” color.

Extremely versatile, light and delicate, this neutral is superb as a main or accent color, no matter your style.

OUR GRAYS

LAZY SUNDAY GRAY
NCS : S 2002-Y50R

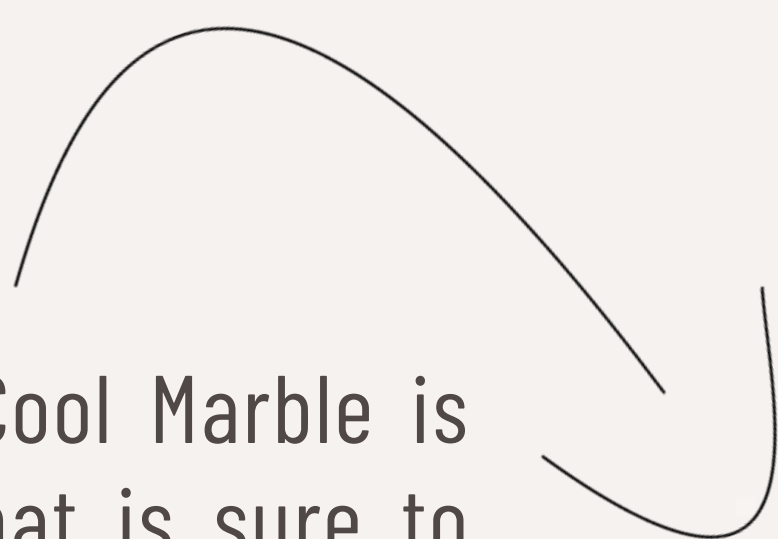

Straightforward and warm Lazy Sunday Gray is THE perfect backdrop in any decor.

COLD MARBLE
NCS : S 1500-N

Delightful cool gray, Cool Marble is a long-time classic that is sure to complement your décor beautifully.

MODERN STONE
NCS : S 5500-N

Downright cool gray, with blue undertone, that will make the perfect bold statement your decor needs.

Roman noir
Black Novel

OUR BLACKS

Once you dare black in a room, you want it everywhere at home!

BLACK NOVEL
NCS : S 8000-N

Our dark charcoal Black Novel pairs very well with all the colors in our palette. Ideal solution for the creation of a friendly and easy dark color scheme, Black Novel brings instant elegance to any room!

Adding it to a room envelops the space. It's the perfect colour to create a very cozy living room or bedroom! Plus, it's a versatile and timeless colour.

Noir absolu
Absolute
Black

ABSOLUTE BLACK NCS : S 9000-N

As its name reveals, Absolute Black is intense, deep and very saturated. Without strong red or blue undertones, Absolute Black is perfect for the creation of powerful, decisive and mysterious decors.

NEW!

THE MIX & MATCH™ TRIO

A Mix N' Match™ project by Laurentide thanks to our new renovation trio that includes the primer, the ceiling flat, and the paint, for a quality project from start to finish.

MIX N' MATCH™ PRIMER-SEALER
100% ACRYLIC LATEX PAINT,
INTERIOR & EXTERIOR

Interior & exterior 100% acrylic primer-sealer and base coat for new or previously painted surfaces.

It is easy to apply and its light-odour formula will provide excellent adhesion and exceptional coverage. To be used indoors and outdoors to seal new porous surfaces prior to applying a top coat to gypsum board, fibreboard, concrete block, masonry and brick. It neither spatters nor contains lead or mercury.

MIX N' MATCH™ 100% ACRYLIC
LATEX CEILING PAINT,
MATTE FINISH

Premium quality paint with a matte finish.

It neither spatters nor contains lead, mercury or VOCs (volatile organic compounds). Ultra resistant and easy to apply. Its non-yellowing formula will ensure high opacity, and super adherence. Ideal for ceilings with irregular surfaces. Due to its low gloss, it is not recommended for surfaces that require frequent washing.

Available in 2 colours: Just White and Sparkling White
